### ATTENDANCE

PLEASE CALL THE STUDIO to let us know when your dancer will be absent! This is especially important if you are in a company. It might seem insignificant to miss a class occasionally, but your dancer might not be the only one absent from class that day, and absences make it difficult to keep everyone up to date with choreography. Please give us as much notice as possible so the teachers can plan ahead. We don't offer prorated tuition for missed classes. You are welcome to make-up dance hours in the class either above or below your current level.

### GENERAL

If you have questions about your account or general information, call the front desk or email our receptionists.
